

**DECLARATION OF CONFORMITY**  
**for plastic material used in contact with foodstuffs**

Supplied by:  
Schlachthausfreund GmbH  
Wacholderweg 7-9  
D-21256 Handeloh-Höckel

---

We declare herewith that the following product manufactured by us:

ARTICLE TYPE: Plexiglass armguard  
ARTICLE PART-NO.: 9350 - 9352  
MATERIAL: 100% Spectar® Copolyester 14471

... conform to the requirements of the Regulations (EU) 10/2011 and (EU) Nr. 1935/2004 in its current version.

The materials and raw products used in manufacture correspond to the German law concerning articles of everyday use and/or the corresponding European Guidelines for plastics 2002/72/EG ff..

According to the manufacturers, the Plexiglass armguards sold by us are suitable for use in the meat and food processing industries.

Specifications concerning intended usage or restrictions:

- Type(s) of foodstuffs with which the material MAY come into contact: wet and dry goods
- Type(s) of foodstuffs with which the material should NOT come into contact: not known
- Length of time and temperature for treatment and storage conditions in the case of contact with the foodstuff: under normal conditions, no limitations known

Warning! The Plexiglass armguard must not come into contact with molten metal or with oxidising substances!

The production chain overview required under regulation (EG) Nr. 1935/2004 is guaranteed by the production date stamp or tag.
